You may ask your doctor to change the report if you think it is misleading. If your doctor refuses, you can insist on adding your own comment to the report before it is sent to us. Should you give your consent to us obtaining a report without indicating that you wish to see it, you can change your mind by contacting your doctor before the report is sent to us, in which case you will have the opportunity to see the report and ask the doctor to change the report or add your comments before it is sent to us, or withhold your consent for its release. 3. You can withhold your consent but, if you do, please bear in mind that we may be unable to accept your claim.
